Engineering Lab - 3D Printer Station

Dr. Sarah Johnson

Hi Alex, I've received your booking request for the 3D printer.
Could you please confirm you've completed the safety training?

10:00 AM

Alex Martinez

Yes, I completed the training last month on October 10th. My
certification number is ST-2024-0356.

Review Moderation

| Resource | User | Rating | Comment |
|--------------------------------------|---------------|--------|--|
| Innovation Lab Study Room A | Alex Martinez | 5/5 | Perfect study space! Clean, quiet, and all the equipment worked great. Will definitely book again. |
| Innovation Lab Study Room A | John Doe | 4/5 | Great location and setup. Only minor issue was the whiteboard markers were running low. |
| Engineering Lab - 3D Printer Station | John Doe | 5/5 | Amazing equipment and Dr. Johnson was very helpful with setup. Print quality was excellent! |
| Math Tutoring with Prof. Williams | Alex Martinez | 5/5 | Prof. Williams is incredibly patient and explains concepts clearly. Helped me ace my exam! |
